REQUEST FOR APPLICATIONS – Amendment 2

PROGRAM: NetHope / Global Broadband and Innovations (GBI) Alliance, Fixed Amount Award Grants to Support Institutional Preparedness to Use Digital Cash Transfers in Humanitarian Response

RFA NO: RFA-PI-06-01/2016 – Amendment 1

NetHope herewith provides notification that the subject RFA is amended.

Section 1.1 is revised to clarify that organizations selected for a grant will be required to submit a DUNS number prior to an award of a grant. Section 1.1, as amended, is restated in its entirety as follows:

1.1 GRANTEE ELIGIBILITY

This competition is open to any non-governmental, non-profit or for-profit entity. To be eligible for funding, applicants must comply with the following conditions:

- Organizations must be legally registered or otherwise authorized to conduct business in their country or countries of operation where the work under the grant will occur.
- Organizations must submit their application in English.
- Preference will be given to the following countries
 - Democratic Republic of Congo
 - Ethiopia
 - Mali
 - Philippines
 - Zimbabwe
 - Pakistan
 - Afghanistan
 - Kenya
 - Liberia
 - Somalia
 - Sierra Leone
 - Guinea

- Organizations must be able to complete implementation within the stated timeframe of twelve months.
- The Organization that will receive the grant award will have to provide DUNS number before signing the Grant Agreement

Part B is revised to clarify allowed costs in the budget and to adjust the threshold for submission of a USAID Form 1420 for proposed staff from a daily rate of \$50 to \$200. The following sections are restated in their entirety:

Part B: Cost Application

1. Submit a summary and detailed budget with budget notes in Microsoft Excel identifying how you will allocate the grant funds during the grant term, including proposed level of effort of any staff who will be working on this grant. Applicants can include any costs associated with CTP preparedness development and knowledge management as long as they are adequately justified in the budget narrative.
2. Include a signed bio data form USAID Form 1420 for any proposed staff or consultants who have a daily rate greater than \$200 USD.

All other terms and conditions remain unchanged.
